### Notes on Declaration of Interest

Any member arriving after the start of the meeting is asked to declare personal interests as soon as necessary as soon as is practical after their arrival even if the item in question has been considered. With the exception of Members, a member with a personal interest also has a prejudicial interest if it is one, which a member of public with knowledge of the relevant facts would reasonably regard as significant that it is likely to prejudice the Members judgement of the public interest. In such circumstances, the member must withdraw from the meeting room, and should inform the Chairman accordingly. It is not practical to offer detailed advice during the meeting on whether or not a personal interest should be declared, or whether a personal interest should be regarded as prejudicial.
